Rider Category (circle appropriate category):

Kid's/Striders (10 and under) Junior (16 and under) Beginner Competitive MTN Comp CX

(definitions of race categories below)

-
- Kid's race and/Skills Course. A shorter race course for some fun on the single track (parents can accompany) and a fun skills course in the orchard.
 - Junior riders may or may not have any race experience, but have enough saddle time on a bike to be comfortable and safe riding single-track, including steep and technical terrain.
 - Beginner riders have little or no bike race experience, are still learning how to ride single-track, and are out to have fun and compete on a challenging course.
 - Competitive mountain bike riders have previous race experience, have been riding regularly, love to ride fast, and can handle steep technical terrain.
 - Competitive CX - Cyclocross bike riders have previous race experience, have been riding regularly, love to ride fast, and can handle steep technical terrain on a cyclocross bike.
